

Life IS A
GIFT

CELEBRATE IT!

*Now choose Life so that you
and your children may live.*

Deuteronomy 30:19

"Our family is so thankful for First Coast Women's Services. Thank you for providing all the information through the Hope Program that helped me become a good mother. I am so grateful for the time you invested in listening to my daily problems and always praying for my family. It has been a great year coming and learning great things with you."

– Priscila and Family

Something to CELEBRATE!

A baby's first birthday party is a big event - completing a whole year of life is a big accomplishment! We want every baby to be celebrated in a big way, because life is a gift.

When a pregnancy is unexpected, it can be difficult to see the new life growing in the womb as a gift. Plans will change, preparations will have to be made, and life will look different for the parents of a new baby. We want to help women and men see the beauty and joy in a new life. We want to be there to walk with them, answer their questions, and help them see the many reasons to celebrate the new life God has gifted them. **All of our services are free and confidential.**

You can help our center as we seek to show love to women and men facing unexpected pregnancies. Here are some ways you can help:

- Volunteer your time!
- Give financially to support our programs.
- Pray for us as we encounter women and men who need to know about true hope and joy.
