

February 20, 2019

Dear Friends,

I am writing on behalf of First Coast Women's Services Beach Center, a pregnancy resource center that offers practical help and emotional support to women and teens who are facing unplanned pregnancies. Our Beach Center is a safe and confidential place for women to receive free services such as pregnancy tests, options counseling, ultrasounds, adoption information, parenting classes, and material assistance. **Since opening our doors we have seen over 4,874 women & men, provided 2,771 free pregnancy tests , 1,160 free ultrasounds, and have had 19 clients choose adoption.**

We are excited to announce the ***Seventh Annual "Women Helping Women" Spring Event. This event will feature a fashion show with our own Jacksonville Beach Clothes Designer, Katherine Way and jewelry vendor Kathy Hines. The event will be held at the Casa Marina Hotel on Thursday, May 2nd, 2019. The fashion show will begin at 9:30am followed by brunch and shopping.*** This fundraiser is critical to our continuing to offer free resources so that we can build healthy families through education and support. First Coast Women's Services is a 501 (c) (3) not for profit organization that receives no government funding. We are totally dependent on the generosity of individual donors, foundations, and special events to raise funds.

To help make this event a financial success we are asking for your help! Please consider being a corporate sponsor or donate an item for our raffle. With over 250 women who will attend our event from the Beach community, you might also want to take advantage of our advertising opportunities for your business in our program.

On behalf of all who have received help through our services, we thank you for your consideration. Your donation will help us continue to bring restoration to the lives of individuals who are facing an unplanned pregnancy and ensure a future of hope. For your convenience a contribution form is enclosed.

Sincerely,

Judy Weber
